

IPR0001619
STATEMENT OF WORK / SPECIFICATIONS

Specific requirements:

Sixty-five (65) PNTL authorized handheld radios. PNTL currently authorizes its officers to use, and the PNTL Communications Section can currently support, the following handheld radios;

Motorola GP360	-	(VHF 136-174MHZ)
Motorola GP328	-	(VHF 136-174MHZ)
Motorola GP338	-	(VHF 136-174MHZ)
Motorola DP3601 (XIR P8268)	-	(VHF 136-174MHZ)
Motorola DP4400	-	(VHF 136-174MHZ)
iComm M88 (Maritime Police Unit Only)	-	(VHF 136-174MHZ)

All handheld radios should include;

- Radio(with Antennae)
- Standard Battery
- 230V Rapid Charger (Euro Plug)
- Spring Belt Clip (For 1.5" Belt Width)
- User Manual(English/Bahasa)

Additionally, all quotations should include;

- Appropriate Programming Cable
- Appropriate Programming Software
- Appropriate Programming Manual(English/Bahasa)

Quotations for “equal” brand handheld radios not currently in use by PNTL will need to be approved by the PNTL Chief of Logistics prior to consideration, and may not require modification to current technology infrastructure.
